18. Reviewer of the Indian Journal of Orthopaedic and Traumatology.
19. Member of Public affairs committee Liaison EFORT -European Community.
20. Member of the EFORT Fellowship committee
21. Member of the International Hip Society.
22. Honorary member of the Bulgarian Orthopaedic Association
23. Honorary member of the Argentinian Orthopaedic Association

24. Coordinator for the scientific program of EFORT, section: Pelvis, Hip and Femur (2013-2018)
25. Chairman of the EFORT FORA Committee.

C) ADMINISTRATIVE EXPERIENCE

1. Consultant Orthopaedic Surgeon and Head of the Orthopaedic Department
KAT Hospital of Athens from September 2008 till today.
2. Director of the Medical Services KAT Hospital of Athens June 2011 till today
3. Consultant Orthopaedic Surgeon and Head of the Orthopaedic Department
4. 1st I.K.A Hospital of Athens from April 1998 till September 2008.
5. Manager of the 1st I.K.A Hospital of Athens from July 2000 to June 2002.
6. Professor at Technological Educational Institute of Athens from 1992 till
2005.
7. Professor at Technological Educational Institute University of Piraeus
2006-2010

D) SHORT REFERENCE OF POST-GRADUATING CLINICAL TRAINING AND EXPERIENCE ABROAD

1. Finale Ligure Hospital

Finale Ligure Italy, June – July 1986

I worked with Professor Luigi Spotorno who introduced me to his philosophy of uncemented total hip arthroplasty, and especially on biomechanics of CLS stem. He also taught me Hip Revision techniques.

2. Bern Switzerland

March 1987

Professor M.E. Muller, organised a course on the surgical treatment of Hip Osteoarthritis and Revision Surgery techniques. He introduced me on his rational on how must be used properly the Muller Ring on Revision Surgery, and the Revision Surgery “Secrets” .

3. Lecco General Hospital

Lecco Italy, November 1987

Under the instructions and the supervision of Prof. Roberto Cataneo and Maurizio Catagni, I was introduced to Ilizarov’s philosophy and I started practicing on limb lengthening and limp

reconstruction techniques.

4. Hospital Civico, Lugano Switzerland

A.O Fellowship, 1st February - 15 March 1988

Under the instructions of Professor S. Martinoli, I was introduced to the AO philosophy, the documentation techniques and fracture classification gaining experience in the management of polytrauma patient.

5. Busto Arsizio Hospital

Milan Italy, March 1988

Professor Renato Bombeli introduced me to his master techniques in Hip Osteotomies. I also gained experience in reconstruction techniques for distorted Anatomy of the Hip.

6. Lewisham Hospital London (part of St. Thomas's Rotation Training Scheme).

February 1989- April 1989

Under the instruction of Mr. P Allen, F.R.C.S. (Consultant Orthopaedic Surgeon) I got my first experience in the National Health System of England.

7. St. George's University Hospital London

May 1989- July 1991

St. George's is a University Hospital and Medical School. During my rotation training scheme to the above mentioned University Hospital I worked as Registrar and Senior Registrar at:

- **New East Surrey Hospital, May 1989- March 1990**
- **Frimley Park Hospital, April 1990- September 1990**
- **St. George's Hospital, October 1990- July 1991**

Working at this rotation I gained vast experience in the management of poly - trauma patients. I was introduced to all modern technics in trauma surgery, I was also trained at the ATLS techniques and I improved my surgical skills in major orthopaedic procedures such as joint replacement, spine surgery, shoulder surgery and arthroscopic techniques in the knee and shoulder joints.

A long side to the practical work I was responsible for the educational training of the St. George's medical students.

E) Clinical Trials

1. Main investigator on the clinical trial Epo Osteo and EPO-GRE- 22012000 phase IIIb on the administration of epoetin alfa in patients undergoing THR and TKA.
2. Main investigator on the clinical trial Epo Osteo, "the appropriateness of preoperative use of epo Alpha in Orthopaedic Surgery", 1999.
3. Main clinical investigator in the clinical trial C 8843/EXPERT on the use of Fondaparinux Sodium (Arixtra) for the prevention of thromboebolism after total hip arthroplasty.

4. Main investigator in the clinical trial: "Dose raising study of SSR128428 for prevention thromboembolism".
5. Main investigator in the clinical trial 150-CL-008 (ONYX-2) phase IIB Study of Y-150 "Direct factor Xa inhibitor Y M150 for prevention of venous thromboembolism in patients undergoing elective total hip replacement"
6. Main investigator in the clinical trial (phase II) No. 20080394 STARTT-HIP on the effect of sclerostin inhibition in Hip fracture healing, 2010-2011.
7. Main investigator in the clinical trial AMG 785 (phase IIa): A multicenter, randomized, double-blind, placebo-controlled study of AMGEN 785 in skeletal mature adults with a fresh unilateral tibial diaphyseal fracture status post definitive fixation with an intramedullary nail.
8. Research fellow at the laboratory of Biomechanics at the University of Ioannina since 2000 working on the following topics:
 - a) Clinical behavior of T.M.T. cups.
 - b) Polyethylene wear of monobloc T.M.T. cups using the EBRA software.
 - c) Migration of T.M.T cups using the EBRA software.
 - d) Clinical and laboratory analysis of the behavior of implanted materials to the human body.
9. Research fellow and scientific collaboration at University of Thessaly.
Subject: Functional outcomes of Advance Medial Pivot Total Knee Replacement.
10. Research fellow at the Pharmacology Department of University of Athens.
Subject: functional effects of local Thyroid Hormone administration after sciatic nerve injury in rats.
11. Participation on the multicenter clinical trial for the mid to long term clinical and radiological results of TMT monoblock cups. University of Dundee in collaboration with Prof. Rowly David.
12. Main investigator in the clinical trial of AMGEN: Study to assess fracture healing with Sclerostin Antibody (STARRT HIP).
13. A Multi – center, Randomized, Double-blind, Placebo-controlled Study to Determine the Efficacy, Safety and Tolerability of AMG 785 in Adults with Fresh Unilateral Intertrochanteric Fracture of the Proximal Femur, Status Post Fixation with a Sliding Hip Screw or Intramedullary Nail.
14. Main investigator in the clinical trial AMGEN STUDY 20062017 with title «A multi-center, Randomized, Double-blind, Placebo-controlled Study of AMG 785 in Skeletally Mature Adults with a Fresh Unilateral Tibial Diaphyseal Fracture Status Post Definitive Fracture Fixation with an Intramedullary Nail.

15. Study To Assess Healing of Repaired Tibias with Sclerosin Antibody “STARTT” at “KAT” Hospital, 4th Orthopedic Clinic, Athens, Greece.
16. Study of the mechanical properties and the biomechanical behavior of the healthy and diseased cartilage of the human femoral head. This is a combined study with the Polytechnic of Athens (ongoing study)
17. Member of the advisory board for the Dexketoprofen- Tramadol clinical trial since January 2016
18. Main investigator in: “ A multicenter, randomized, double-blind, controlled, phase IIIb study to assess the efficacy and safety of Rivaroxaban 10mg od versus Enoxaparin 4000IU for VTE PROphylaxis in Non Major Orthopaedic Surgery. The PRONOMOS study

F) COURSES ORGANISED, SESSIONS MODERATOR

1. Reconstructive course of lower leg deformities Athens May 2009
2. Reconstructive course for lower limb deformities use of Ilizarov techniques
Athens June 2010
3. EHS Meeting Athens September 2010 (as European Hip Society President).
4. Mini or conventional Approaches in THR
XI Bulgarian Orthopaedic and Traumatology Association and EFFORT FORA
06-10 October 2010, Varna, Bulgaria
5. EXMEX (Experts Meet Experts) EFORT Congress / Complicated Primaries and Revisions in THA.
Organizer: George Macheras
2 June 2011, Copenhagen
6. EFORT Forum
2nd Congress of Kosova Society of Orthopaedics and Trauma Surgeons (KTOTS) and EFORT Fora Forum.
10-12 May 2012, Pristina, Kosova.
7. AO reconstruction course KAT Hospital 2012
8. EHS- EFORT Instructional Course KAT Hospital 2012. Expert meet Expert: what is new in revision surgery?
13th EFORT Congress.
23-25 May 2012, Berlin, Germany.

9. Hellenic–Chinese Orthopaedic meeting Athens August 2013
10. Interactive Expert Exchange / How to manage bone defects in THA
14th EFFORT Congress 2013.
5– 8 June 2013, Istanbul, Turkey.
11. Instructional Course on MIS Hip Surgery Athens May 2014
12. Hellenic Orthopaedic Association Meeting Athens October 2014.
13. Monoblock acetabular components. In favor: George Macheras / Against: John
Callaghan
70th Annual Hellenic Orthopaedic Conference
Athens 1 – 4 October 2014
14. Moderation- introduction of the session: THA for congenital dislocation of the hip.
World Arthroplasty Congress in Paris
Paris, France April 15, 2015
15. Moderation of the session: managing complications in total hip arthroplasty

AORcon Symposium at COA : Arthroplasty in the Adult Hip-Principles and
Complications

November 20, 2015 Chongqing, China
16. Moderation of the session Total Knee Arthroplasty
19th International Congress of the Pan Arab Orthopaedic Association
November 26-28, 2015. Beirut Lebanon
17. Anterior Hip Approaches. Benefits, indications, risks
Annual international meeting of Bulgarian Orthopaedic Association
14-17 May 2015
Varna- Bulgaria
18. Poster walk moderation and evaluation on Pelvis and femur topics
EFORT congress Prague
27-29 May 2015
19. Chairman of the session for the infected THA
ICJR International Congress for Joint Reconstruction, Cairo, April 19-21, 2016

20. Moderator of the Advanced Course in Total Hip Replacement
17th EFORT Congress
Geneva 01-03 June 2016
21. Moderator of the European Hip Society Session on Hip Approaches
17th EFORT Congress
Geneva 01-03 June 2016
22. Moderator of Walking Poster Evaluation Session
17th EFORT Congress
Geneva 01-03 June 2016
23. Moderation of the session: Primary THA
12th EHS congress
Munich 6-9th September 2016
24. Organization- Moderation of the EFORT Forum in the 3rd Mediterranean Trauma
Conference
Larnaca Cyprus, 23-25 September 2016
25. Organization- Moderation of the EFORT Forum in the
5th Congress of the Serbian Orthopaedic Trauma Association
Belgrade 13-15 October 2016

Ortho Mare Nostrum
19-21 June 2003, Marseille, France.

31. Infected total knee arthroplasty, diagnosis and treatment.
G. A. Macheras, K. Kateros, I. Sofianos, D. Baltas, A. Kostakos.
23rd Annual Meeting of European Bone and Joint Infection Society.
27-29 May 2004, Milano, Italy.
32. Biological behavior of porous tantalum acetabular implants.
G. A. Macheras, D. Baltas, A. Kostakos, D. Dallas, K. Kateros.
6th European Hip Society Meeting, including the 2004 EFORT update meeting.
23-26 June 2004, Innsbruck, Austria.
33. Avascular necrosis after internal fixation of femoral neck fracture.
G.A.Macheras, K. Kateros, S. A. Papadakis, I. Sofianos,
P. J. Papagelopoulos,.
6th European Hip Society Meeting, including the 2004 EFORT update meeting.
23-26 June 2004, Innsbruck, Austria.
34. Management of large acetabulum bone defects.
G. A. Macheras, D. Baltas, A. Kostakos, D. Dallas, K. Kateros.
6th European Hip Society Meeting, including the 2004 EFORT update meeting.
23-26 June 2004, Innsbruck, Austria.
35. Design and Clinical Results of a Trabecular Metal Acetabular Component.
G. A. Macheras
72th Annual Meeting of the American Academy of Orthopaedic Surgeons
23-27 February 2005, Washington DC.
36. Six years results of the medial-pivot total knee arthroplasty.
G. A. Macheras, D. Baltas, A. Kostakos, D. Dallas, K. Kateros
7th EFORT Congress.
4-7 June 2005, Lisbon Portugal.
37. External fixation as a procedure to confront talonavicular joint dislocation.
G. A. Macheras, D. Baltas, A. Kostakos, D. Dallas, K. Kateros
7th EFORT Congress.
4-7 June 2005, Lisbon Portugal.
38. Pelvic fractures and haemorrhage management using angiographic arterial embolization.
G. A. Macheras, D. Baltas, A. Kostakos, D. Dallas, K. Kateros
7th EFORT Congress.
4-7 June 2005, Lisbon Portugal.
39. Metal-bone interface evaluation of porous tantalum monoblock acetabular component.
Macheras G.A, Kostakos A., Baltas D., Dallas D., Kateros K., Koutsostathis S.
7th European Hip Society Meeting.

21-24 June 2006, Antalya, Turkey.

40. Intrapelvic migration of acetabular implants. Management and results.
Macheras G.A, Kostakos A., Baltas D., Dallas D., Topkas A., Danomaras D.
7th European Hip Society Meeting.
21-24 June 2006, Antalya, Turkey.
41. Radiographic Evidence of Acetabular Gap-Filling following THA using a Trabecular Metal Cup.
G.A.Macheras, A.Kostakos, S.Koutsostathis, A.Topkas, K. Kateros, Robert W Eberle.
AAOS Meeting
14-18 February 2007, San Diego Convention Center California, U.S.A.

Lecture : «The Greek experience in the treatment of dysplastic hip disease».
June 2011, Cartagena Spain.
65. Mediterranean Trauma Conference.
Lecture: Femoral Head Fractures in Elderly Patients. Choice of Femoral Stem with or not Acrylic Cement in Hip Semi-arthroplasty.
29 September – 01 October 2011, Napa Cyprus
66. Long term results-experience from the use of TMT cups in primary and DDH Cases
XXI International Course On Total Arthroplasty (THA and TKA).
21, 22 & 23 March 2012, Madrid, Spain.
67. Long term results from the surgical treatment of the chronic infected TKA
XXI International Course On Total Arthroplasty (THA and TKA).
21, 22 & 23 March 2012, Madrid, Spain.
68. EFORT Forum
2nd Congress of Kosova Society of Orthopaedics and Trauma Surgeons (KTOTS) and EFORT Fora Forum.
10-12 May 2012, Pristina, Kosova.
69. Revision of THA with bone defect
2nd Congress of Kosova Society of Orthopaedics and Trauma Surgeons (KTOTS) and EFFORT Fora Forum.

10-12 May 2012, Prishtina, Kosova.

70. New Trends in Hip Arthroplasty
4th annual international meeting of BOTA combined with
SICOT training course and 7th annual international BSASST Conference on hip

71. New trends in the treatment of the hip diseases .
17-19 May 2012, Varna, Bulgaria

72. Knee arthroplasty in special cases
13th EFORT Congress.
23-25 May 2012, Berlin, Germany.

73. Expert meet Expert: what is new in revision surgery?
13th EFORT Congress.
23-25 May 2012, Berlin, Germany.

74. “My algorithm” in acetabular and femoral bone defects reconstruction
Symposium “Bone defect reconstruction in revision arthroplasty
13th EFORT Congress.
23-25 May 2012, Berlin, Germany.

75. Long term results of Muller reinforcement rings in acetabular revision surgery for large bone defects
G.Macheras
20th Annual meeting of European Orthopaedic Research Society(EORS 2012)
Amsterdam, September, 2012.

76. Primary and Revision THA and TKA
Seventh International Congress of Chinese Orthopaedic Association.
15-18 November 2012, Beijing, China.

77. Primary complex hip arthroplasty
14th EFFORT Congress 2013.
5-8 June 2013, Istanbul, Turkey.

78. How to introduce new implants/techniques
14th EFFORT Congress 2013.
5-8 June 2013, Istanbul, Turkey.

79. Interactive Expert Exchange / How to manage bone defects in THA
14th EFFORT Congress 2013.
5– 8 June 2013, Istanbul, Turkey.

80. Revision arthroplasty with long stems in periprosthetic
fractures
at the symposium “Periprosthetic fractures of the lower limb”

14th EFFORT Congress 2013
5-8 June 2013, Istanbul, Turkey.

81. Arthroplasty in high dislocation
at the symposium Primary complex hip arthroplasty,
14th EFFORT Congress 2013.
5-8 June 2013, Istanbul, Turkey.
82. THA following deformities due to hip dysplasia
at the scientific program Advances in Total Hip and Total Knee Replacement
14th EFORT Congress 2013.
5-8 June 2013, Istanbul, Turkey.
83. How to manage bone defects in THA: the problem
Interactive Expert Exchange
14th EFORT Congress 2013.
5-8 June 2013, Istanbul, Turkey.
84. Treatment of the periprosthetic fractures around TKAs
EFORT FORUM « Periprosthetic fractures around total hip and total
knee replacement »
Hungarian Orthopaedic Association and of the Hungarian Trauma Society.
27-29 June 2013, Budapest, Hungary.
85. Infected Total Hip Replacement
XII National Congress of the Bulgarian Orthopaedic and
Traumatology Association (BOTA).
09-12 October 2013, Varna, Bulgaria.
86. Long Term Results of Medial Pivot Total Knee Concept
XII National Congress of the Bulgarian Orthopaedic and
Traumatology Association (BOTA).
09-12 October 2013, Varna, Bulgaria.
87. TKA in Severely Deformed Knees
XII National Congress of the Bulgarian Orthopaedic and
Traumatology Association (BOTA).
09-12 October 2013, Varna, Bulgaria.
88. THA: How to achieve better function and longer survival Rate?
Sino-European Arthroplasty ICL Course
8th International Congress of Chinese Orthopaedic Association.
7-10 November 2013, Beijing, China.

89. The survival of uncemented stems with minimum follow up 20 years,
Sino-European Arthroplasty ICL Course
8th International Congress of Chinese Orthopaedic Association.
7-10 November 2013, Beijing, China
90. The evolution of complications in THA
